

August 27, 2021

Dear Valued Customer:

As we continue to navigate through this difficult time in our industry's history, everyone at Cornerstone Building Brands remains committed to improving our value proposition.

Supply chain constraints have tightened in recent months with shortages affecting availability of screens, steel, aluminum, glass and transportation services. To navigate these challenges our internal costs have risen dramatically. As a result, we will be implementing a price increase to help offset these costs.

All Cornerstone Building Products, including, Ply-Gem and Simonton Windows, & American Building Components Metal Roofing will be instituting an eight percent (8%) price increase on all products effective with orders received after September 10, 2021.

Thank you for your continued support. We will continue to provide you with the highest quality products in the industry and look forward to working with you through these challenging times.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Lloyd".

Kevin Lloyd  
Sr. VP of Sales
